

**GSC 2014 - The Annual Workshop of  
Graduate Students in Control  
Ben-Gurion University of the Negev  
Monday, March 31<sup>st</sup>, 2014**

**1<sup>st</sup> Announcement**

The annual meeting of Graduate Students in Control (in the broad sense) will take place on Monday, March 31, 2014, at The Ben-Gurion University of the Negev.

The meeting serves as a platform for exchanging ideas among students and supervisors working on diverse aspects of: Systems and control, theory and applications, from various departments and institutions in Israel.

It provides an opportunity for: Graduate students presenting their work; A chance for the students to get acquainted with Israeli faculty in their field; A meeting between Academia and Industry (who are also invited to the event); An opportunity for the supervisors to learn about each other's current research interests.

The success of the event obviously depends on the participation of both the students and the faculty members, and we hope that you and your students will attend this workshop.

We solicit 20 - 25 minutes presentations by students. Please submit the details requested below by Thursday, March 13. Details concerning the exact venue, program, registration(!), and other administrative details will be announced shortly afterwards.

Please spread this call to all the relevant faculty.

Submissions should be sent by March 13, through e-mail to Dr. Izchak Lewkowicz  
izchak@ee.bgu.ac.il.

Please send Tex, PDF, postscript or plain English text, including:
