

Participation terms and conditions

- Application for participation is to be made on this Application Form. To take part in this exhibition, all of the needed information mentioned in this application form must be filled.
- Each exhibition booth consists of 1.80×0.76 [m] desk on which the exhibitor can place her/his exhibits or brochures. Additional exhibition material, like banners, monitors or stands, can be used close to the exhibition desk. Available place is limited so that the exhibitors are asked to limit their footprint out of consideration to other exhibitors.
- Power connection will be provided by the venue. However the support from the venue is minimal and hence exhibitors are requested to bring all required equipment, including power cords extensions.
- Limited Wi-Fi connectivity is available at the venue.
- The price for each exhibition booth is ILS **2,200**. The price for a double exhibition booth is ILS **4,400**.
- The price for an exhibition booth includes the fee for one exhibitor only. Additional exhibitors must pay the participation fee of the workshop, which are ILS **480** (until April 14, 2022) or ILS **530** (after April 14, 2022) per participant.
- Booth allocation and distribution will be decided by the organization committee and communicated to the exhibitors a few days before the exhibition.
- The exhibition hall will be available to set the booths early on the day of the Workshop. The venue might be able to make it available the evening before, but this is still not confirmed.
- If the organizers are unable to host the event on the scheduled date due to any unavoidable circumstances, they hold the right to postpone or cancel the event.

Application Form for exhibitors

all fields are mandatory and must be provided
