

Call for presentations

קול קורא להגשת הצגות

Dear Colleagues and Friends,

We are pleased to announce this year's annual meeting of graduate students in the fields of Systems and Control—GSC'25. This year the event will be hosted on Monday, June 16, 2025, by the Technion's Faculty of Mechanical Engineering.

Continuing a long and highly successful tradition, this meeting is intended as a non-formal platform for exchanging ideas among students and senior faculty from various Israeli institutions. It aims at offering graduate students a stage for sharing insight and excitement about their research in front of a professional audience. The meeting also gives students a unique opportunity to learn about the work of their peers, get acquainted with Israeli faculty in their fields, and meet potential employers. Additionally, it facilitates meetings between people from academia and industry.

We solicit 20–25 minute presentations by students. Submissions should be typed-in the [Google Form](#) by **May 29, 2025**, and should include, in plain text

- student name and affiliation (department and institution),
- graduate studies program (M.Sc./Ph.D.) and expected graduation date,
- thesis supervisors and their affiliations,
- talk title and abstract (up to 500 words, may contain simple standalone \LaTeX code).

We will prioritize, if needed, students in final stages of the research, and GSC newcomers.

IAAC GSC Award

As in past years, the GSC Award will be granted to an outstanding paper presented at the workshop. Advisers wishing to nominate their students as candidates for the award should submit supporting material by May 29, 2025 in accordance with the [award's regulations](#), as posted on IAAC's website.

We hope to see you and your students in GSC'25 at the Technion! We would also be grateful if you could help us in spreading this Call to relevant faculty who may not be on our mailing list, especially newcomers and researchers with close interests.

Looking forward to a successful GSC workshop,

CHRISTIAN GRUSSLER
LEONID MIRKIN

GSC'25 Organizer
IAAC President

National Member Organization of [IFAC](#) and [IAIN](#)

Call for Presentations at IAAC workshop

Graduate Students in Systems and Control

GSC'25

to be held in **Room 217, Faculty of Mechanical Engineering**, Technion—IIT
on Monday, June 16, 2025 (Sivan 20, 5785)

Organizer: **Christian Grußler** (Technion)

We are grateful to the organizations below, whose support makes holding IAAC events possible

Applied Materials Israel Ltd.

Cielo Inertial Solutions Ltd.

Elbit Systems Ltd.

RAFAEL—Advanced Defense Systems Ltd.
